VOLUNTEERING

The 2010 Bike MS Round Up Ride needs volunteers for both days of the tour. It takes more than 300 volunteers to support this event. Volunteering is a great way for groups to get involved, including school clubs, community organizations, neighborhood associations, church groups, companies, families and co-workers. Volunteer opportunities include start line support (registration, parking, luggage), route support (medical, rest stops, intersection safety), and finish line support (handing out medals, cheerleaders). Volunteers receive a T-shirt, meals, and the satisfaction of supporting an appreciative group of riders for a great cause! Please refer interested volunteers to contact Sarah Meeks at 480-968-2488 x 209 or smeeks@aza.nmss.org
